About QiPoint

- ➔ US software manufacturing company
- ➔ Founded in 2012; based in New Jersey, USA
- ➔ Software is architected and built in the USA
- ➔ We donate from our profits to the Bill & Melinda Gates Foundation as well as World Vision
- ➔ A+ Rating with BBB (Better Business Bureau)
- ➔ Registered with Dun & Bradstreet (DUNS#079509486)
- ➔ 96% customer satisfaction for technical support based on customer surveys
- ➔ We have partnered with CoalFire to ensure products are Pen-tested (each major release) and help ensure our processes align with industry security standards such as FISMA
- ➔ **Some of our valued customers:** NASA, DARPA, Microsoft (our products used internally as well as by Microsoft-employed consultants), Intel and Intel Federal, NATO, Ford Motor Company, US Army, USDept. of Justice, US Dept. of Treasury, United Nations Security Council of New Zealand, Ministry of Defense Netherlands, Dept. of National Defense Canada, Accenture, CGI, TD Ameritrade, Australian Government, Australian Dept. of Health, TIAA, Unisys, JP Morgan CHASE, Wells Fargo, more...

Our Core Values

- ➔ **RESPECT**
We respect everyone from different walks of life. We will respect others and treat them with dignity and show courtesy as we would expect for ourselves.
- ➔ **INTEGRITY**
We behave honestly and honorably to earn the trust of our customers and each other. We will choose actions that are morally and ethically responsible.
- ➔ **PASSION**
We have a positive work environment and will serve our customers with pride and enthusiasm. We believe strongly in what we do and uphold our values to provide the best experience for our customers.
- ➔ **ACCOUNTABILITY**
We take responsibility for our work, and commitments to customers and one another. We will make responsible decisions.
- ➔ **RESILIENCE**
We will endure and overcome difficult times. We will demonstrate strength in our ability to persevere and surmount challenges that face us.
